

ASTORIA, OR THE BRANDY WINE.—By a slip received at the Baltimore Evening Reading Room, we learn that the U. S. frigate Brandywine, Com. Parker, has arrived at Hampton Roads. The Brandywine is fast from New York, and will be ready to sail for the West Indies in four or five days, and will therefore bring later news from that port. We have no information whether the vessel is on board the Brandywine. When the vessel is on board, it is to be expected that it will render it necessary for him to return in this frigate.

The Brandywine, it will be recollected, was the flag of the China station, and has made her homeward passage via the North West coast, the Sandwich Islands and Australia.

### COMMERCIAL AND MONEY MATTERS.

**FRIDAY, P. M.**  
The Stock Market was very buoyant to-day and some of the favorites improved materially. Norway & Worcester went up to 75 and Long Island to 64. The apparent removal of all danger of a collision with Mexico, and the comparative ease in the money market, combined with the low rate generally of the Stock Markets has tended to give an upward tendency to stocks which could no longer be repressed by the bears, and the result has been in the rapid rise of the last few days.

The "shorts" are getting alarmed and are adding to the demand for the market.

In Exchange there is nothing doing of consequence. Sterling is 94 1/2. France 5 2/8 & 5 3/4. The Erie Road subscription is going on very briskly.

Amount of Tolls received on all the New York State Canals in each of the following years, viz:
